Sutter Amador Hospital is Tobacco-Free

Sutter Amador
Hospital

A Sutter Health Affiliate

January 1, 2009
Sutter Amador Hospital
will be a
Tobacco-Free Campus!

What this means for you

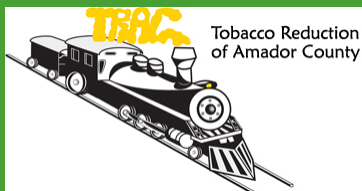

- The use of tobacco products in any form and smoking of any substance will be prohibited on Sutter Amador Hospital property by any employee, physician, patient, visitor, volunteer, contractor, student or vendor.
- Our property includes **all** indoor and outdoor areas, including balconies, drive-ways, patios, stairwells, sidewalks, parking lots, the walking path and the 40 surrounding acres.

Resources

Sutter Amador Hospital will be sponsoring smoking cessation classes October 2008 through April of 2009. For more information or to enroll, contact the Education Department at (209) 223-7468 or TRAC at (209) 223-6638. For immediate support, please call:

- 1-800-NO-BUTTS
- Amador County Public Health Tobacco Reduction Program at (209) 223-6638

Thank you for your cooperation in helping us provide exceptional health care to our community by not using tobacco products or smoking while on our campus.
